## RULES

1. All games will be 8 ends (max).
2. The team that has the least amount of 'total years experience' will have choice of the hammer or rock color in the first end. If teams are tied on yrs exp, a coin toss will be used to determine hammer or rock color.
3. No new end shall start after the 2:00 hour mark from the draw's start time.
4. All tie games after 'final' end is played will be determined by one draw to the button by each team, closest to the pin, will be the winner. Find a neutral third party to oversee. Throw rocks again if neither rock rests in the house.
5. The 2015-16 USCA Rules of Curling will apply to all games (Rules available off ice)
6. Please measure your own rocks. If necessary, contact an official or neutral third party if you are unable to agree on a measure.
7. Please note that you may measure a free guard stone with the 6' measure stick, if agreement cannot be reached on whether it is touching the house. No other stones can be measured until the completion of an end.
8. For assistance on rulings, officials will be Joe Smith, members of the MoPac 5U Committee, Erin Rhode or any member of the ice crew (if present). Please quickly seek out a neutral third party for assistance if none of the above individuals are available.
9. Any team not ready to play 1-15 minutes after the scheduled time shall be penalized one end and one point, and an additional end and point if the delay is between 15 and 30 minutes. Last stone advantage will be in favor of the non-offending team.
10. We would like to ask that a member of the winning teams in each draw help the ice crew by sweeping the hack and the sideboards.

# WELCOME

## The 5 and Under Committee would like to welcome you to the 5th Annual MoPac 5-Under!

MoPac has about 1300 curlers and the majority fall within the '5-Under' umbrella. It is our hope that this unique event will provide the newer curlers in our region:

- a chance to participate in a semi-competitive bonspiel against like-skilled curlers
- the opportunity to play positions they may not otherwise play
- instructional opportunities that may increase curling experience, awareness and ability
- the opportunity to meet other MoPac curlers and strengthen our regional identity and the bonds between member clubs

In looking at the team rosters, we are extremely happy to see that a significant portion of the participating curlers are in their first bonspiel and/or dedicated ice experience! This perfectly encapsulates the spirit of the weekend.

As with last year, award pins will be given out to the winners and runners-up in each of the 4 events.

In addition, we will continue the Spirit of Curling awards. All of the participants have an opportunity to identify individuals that seem to stand out as representing the Spirit of Curling and the 5-Under ideals.

This weekend, we have representatives from 10 of MoPac's 18 member clubs. Last year it took 6 hours to sell out this spiel. This time, we sold out in 20 minutes... and had to expand the draw to 28 teams! So, thank you for such great enthusiasm. We hope it's a great experience for everyone.

Please feel free to give us feedback on the weekend's activities and thoughts for the future.

Good Curling!

## ACTIVITIES

### DOUBLE TAKE OUT PRIZE

On Friday & Saturday, if your team scores a double takeout, put the double 'marker' (helium balloon) next to your sheet. The team with the marker at the end of each draw wins a bar prize. (A double takeout will be considered removing two of your opponents' stones from the house to out of the house.) Remember that there is another team that will also benefit from your good fortunes ... they will win a bar prize as well. Please refer to the team "icons" in the program to see who you are paired up with for this activity.

### BURNT-HOG RAFFLE

Players that **hog** a stone shall place \$1.00 in the piggy-bank and **THEIR NAME** into the raffle jar for EACH hogged rock.

Players that **burn** a rock shall place \$1.00 in the piggy-bank and **THE SHOOTER'S NAME** into the raffle jar for EACH burned stone.

This activity goes on throughout the weekend and we will draw a couple of winners on Sunday before the finals.

## ACTIVITIES

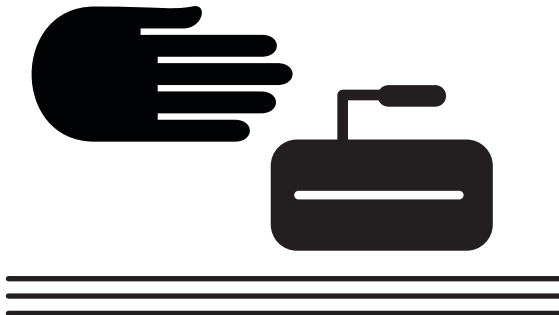

### MOPAC BINGO

We will be passing out bingo cards to teams for more fun. It's up to you to perform the shots on-ice and fill your card up accordingly. This activity will also be throughout the weekend of the bonspiel. Of course, prizes will be awarded to those completing their card first.

### ON-ICE SKILLS CLINIC

On Sunday after the semi-final games, we will be having a one hour skills clinic for any curlers that are interested. Instructors will be there for an "on the ice and hands-on" experience. They will also be able to answer any questions you have about our sport. More information to follow during the bonspiel

### SATURDAY DINNER

We are happy to have our friends at Bitterroot BBQ back this year for the Saturday banquet. You'll find a good mix of BBQ items, sides, bread for sandwiches, and salad. And, on top of all that, they make their own BBQ sauce. It's pretty much everything a hungry curler needs for those peel-weight takeouts!
